Reimagining Civilization with Floating Cities

<https://www.seasteading.org>

The Seasteading Institute is a nonprofit think-tank promoting the creation of floating ocean cities as a revolutionary solution to some of the world's most pressing problems: rising sea levels, overpopulation, poor governance, and more...

3. Create your own News.
Fill out the form.
After formatting,
click the icon.

Step 4 >>

1. Perform a buy/sell test.

To do this, arrange with one of your friends to buy certain goods from each other. Go to the «Proposal» directory and select this good.

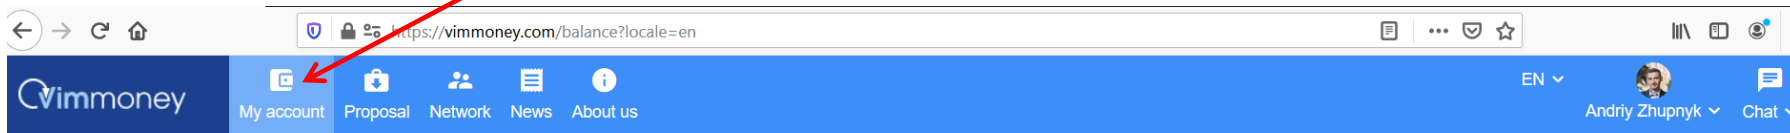

Or go to the seller's page through the tab «Network»-«MY FRIENDS».

The image shows a multi-step process on a marketplace website. At the top, a blue navigation bar contains icons for 'My account', 'Proposal', 'Network', 'News', and 'About us'. Red arrows point from the 'Proposal' and 'Network' icons to their respective sections. Below the navigation bar is an 'ADVANCED SEARCH' section with a search bar and several dropdown menus. To the right, a grid of product thumbnails is visible, including 'Other', 'Food', 'Repair', and 'Construction'. A pop-up window shows a seller's profile for 'Andriy Zhupnyk', a 'Buyer, Programmer, Advisor' from 'Lviv'. Below the profile are buttons for 'Show phone', 'Already friends', and 'Write to seller'. A second pop-up window displays a 'PROPOSITION CARD' for a 'Thermo mug' priced at '2.0vim'. The card includes the seller's profile, a 'Buy' button, and a 'Send money' button. A red arrow points from the 'Buy' button to a text box at the bottom right.

2. After selecting the relevant good, click the «Buy» button.

Step 5 >>

1. After a successful purchase/sale, check the status of your account. Open the page «My Account»
