Toolkits

Free downloadable tool kits on project management, fundraising and social media. Available in 8 languages!

Webinars

Free online lessons from changemakers and experts from around the world on useful skills and interesting topics related to making a difference.

Our Podcast

We interview young people from around the world who are working to make a difference and we share more on their stories and the lessons they have learned.

The idea behind the podcast is to show young people that they have the power to make a difference, even if they start small.

Listen on our website, YouTube channel or anywhere you listen to podcasts for some serious inspiration!

GCMx

We are granting licenses for people to organise and run an impactful and engaging event in their community based on the Global Changemakers training methodology. Organisers will receive supporting materials and mentorship from the Global Changemakers team.

Find out more or apply to host a GCMx event in your community on our website.

Grants for Youth-led Projects

We are a pioneer in supporting youth-led projects.

Our approach is to train, support and trust young people to develop their own solutions to the challenges they experience. Our grant programme allows people who have attended one of our training events to apply for funding to implement or scale their own initiatives.
